

Tenure Track Information Systems

Faculty Openings

The Operations and Decision Technologies Department in the Bloomington, Indiana campus of the Kelley School of Business invites applicants for multiple tenured/tenure-track positions to begin fall 2024. Candidates at the entry level must have completed all requirements for a Ph.D. degree, or have completed all but dissertation, in the area of Information Systems or in a related field and have a strong commitment to excellence in scholarly research and teaching. Candidates at the advanced assistant, associate or full professor level must have a Ph.D. in the area of Information Systems or in a related field and have a record of high-quality publications, as well as demonstrated teaching experience.

We welcome applications from individuals with research interests in the broad domains of information systems, software development, cybersecurity, IT in organizations, and policies/applications for AI in organizations. The likely teaching responsibilities involve information systems, organizational IS, cybersecurity, and/or applications of modern tools for organizations. Teaching requirements may include undergraduate, masters, and doctoral level classes. We welcome candidates whose work will help us advance the school's diversity, equity, and inclusion initiatives and programs.

Before a conditional offer of employment with tenure is finalized, candidates will be asked to disclose any pending investigations or previous findings of sexual or professional misconduct. They will also be required to authorize an inquiry by Indiana University Bloomington with all current and former employers along these lines. The relevance of information disclosed or ascertained in the context of this process to a candidate's eligibility for hire will be evaluated by Indiana University Bloomington on a case-by-case basis. Applicants should be aware, however, that Indiana University Bloomington takes the matters of sexual and professional misconduct very seriously.

To ensure consideration, applications should be received by October 8, 2023; however, the search will continue until the positions are filled. Interested applicants should review the position requirements and apply at <https://indiana.peopleadmin.com/postings/20138>. Candidates should direct any questions to Mary Luncsford, Department of Operations and Decision Technologies, Kelley School of Business, 1309 East 10th Street, HH 4100, Bloomington, IN 47405 or odt@indiana.edu.

Indiana University is an equal employment and affirmative action employer and a provider of ADA services. All qualified applicants will receive consideration for employment based on individual qualifications. Indiana University prohibits discrimination based on age, ethnicity, color, race, religion, sex, sexual orientation, gender identity or expression, genetic information, marital status, national origin, disability status or protected veteran status.
